Restaurant Manger

Elton La Porte

Welcome to Schön which is now into its fourth month of operation.

We have some great food offerings and our chef Dean Miller has developed a menu that is user friendly for our students to enable a quality and tasty product to be delivered to our growing list of clientele. If you are driving by drop in and pick up a "muffy" coffee and muffin for \$4.00.

Hope to see you soon 😊

Schön

Café, Restaurant & Function Centre

Schön is operated by Hospitality Training Australia's and is a multi function licensed restaurant & function facility. Located next door to the Queen Victoria Market students are rostered to work within the facility as they put into practice their training skills. Schön ensures that all students enrolled gain practical industry placement during their course.
